Ma ku qasbanahay inaan buuxiyo Dardaaranka Daryeelka Caafimaadka?

Do I have to complete this Health Care Directive?

Maya. Waxaad buuxin kartaa maanta ama taariikh dambe, ama waad diidi kartaa inaad buuxisid. Laakiin buuxinta arjigan waxay kuu xaqiijin helitaanka xanaanada aad rabtid. Dardaraan qoraal ah waxay qarabadaada u suurto gelin inay fuliyaan waxa aad rabi lahayd.

No. You may complete it today or at a later date, or you can decline to complete it. However, completing this form will help make sure you get the care you want. Putting your choices in writing helps loved ones know if they're doing what you would want.

Macluumaadkee baa la i weydiinayaa?

What information am I being asked for?

U magacow qof qoyskaaga ka tirsan ama saxiib aad kuu yaqaanna oo fahamsan mabadi'daada. Inaad tusto wakiilkaaga warqaddan aanad kala hadasho waa muhiim. Sawirro dheeraad ah ood la wadaagto wakiilkaaga caafimaadka, isbitaalka, iyo dadka kale ee muhiim noloshaada u ah.

Question 1: This question is about your health care "agent." Your agent is someone you choose to speak and make health care decisions for you if you cannot. Consider naming a family member or friend who knows you well and understands your values. Showing your agent this document and talking about it with him or her is important. Make extra copies to share with your health care agent, health care providers, and other important people in your life.

Su'aasha 2 (Ikhtiyaar): Su'aashan waxay ku saabsantahay daryeelka caafimaadkaaga iyo waxyaabaha kale eed rabto. Si guud iyo si gaar ahba waad ku talin kartaa. Waxaa ka mid ah:

Question 2 (Optional): This question is about health care and other wishes you may have. You may be as specific or general as you like. You may include:

- **ahdaaftaada, mabadi'daada, iyo waxyaabaha aad jeceshahay ee ku saabsan daryeelka caafimaadka**
- your goals, values, and preferences about medical care
- **noocyada daawaynta aad rabto ama aadan rabin**
- the types of medical treatment you would want or not want

- how you want your agent or agents to decide
- **goobta aad jeceshahay in lagugu daryeelo (sida guriga ama isbitaalka)**
- where you would like to receive care (such as at home or a hospital)
- **inaad rabto ama aadan rabin inaad ku deeqdo xubnaha jirkaaga sida indhaha**
- whether or not you would like to donate your organs, tissues, and eyes
