

Connect to TeleVisit via Text Message

For patients with a current cell phone number on file, a text message will be sent 30 minutes prior to the scheduled appointment:

The text message appears as follows:

Simply click the link in the Text Message to be directed to the TeleVisit, bypassing the need to login to the Patient Portal

Once the link has been clicked the patient will be directed to their TeleVisit and asked to enter their Vitals:

The Vitals have been submitted successfully

Start TeleVisit

<< Review Vitals

Once the vitals have been submitted,
Click Start TeleVisit

The TeleVisit will begin in the browser that is native to the mobile device (Android or iPhone)

***The patient may be asked to allow access to their Camera and Microphone if they have previously set that as no.
